# LA Primary School Places Scorecard for Gateshead

---

## Introduction

This document presents school places benchmarking figures for Gateshead covering quantity of places available, places allocated by preference, places allocated by school quality and funding provided for new places. It is intended to provide a downloadable, printable document of figures for individual Local Authorities as an alternative to our online dashboard (available [here](#)).

**£20million**

Total primary and secondary basic  
need funding 2011-22

**11%**

Growth in primary, pupil numbers  
2009/10 to 2021-22

## Quantity

### Places created since 2009-10, places planned to 2021-22 and estimated place pressure in 2021-22

A local authority can have both 'spare places' and 'additional places needed' due to localised or specific year group demand

10

Estimated additional primary places to meet demand in 2021-22

12%

Estimated percentage of spare primary places in 2021-22

- Estimated additional places still needed to meet demand in 2021-22
- New places already planned for delivery between 2018-19 and 2021-22
- Total places created between 2009/10 and 2018-19

## Preference

Proportion of applicants who received an offer of one of their top three preference schools for September 2019 entry

**97.5%**

Percentage of applicants who received an offer of one of their top three preferred primary schools in England

**98.1%**

Percentage of applicants who received an offer of one of their top three preferred primary places in 2021-22 in Gateshead

## Quality

Quality of places created between 2017-18 and 2018-19, based on Ofsted:

**91%**

Percentage of new places created in good and outstanding primary schools in England

**64%**

Percentage of new places created in good and outstanding primary schools in Gateshead

**110**

LA Rank out of 120 LAs that created new places between 2017-18 and 2018-19 (ranks can be tied)

New places with no rating = NA

## Cost

# Cost \_\_\_\_\_

**91%**

Percentage of new places created in good and outstanding primary schools in England

**91%**

Percentage of new places created in primary schools in England

**91%**

Percentage of new places created in good and outstanding primary schools in England

Type	England	North East
Permanent Expansion	£17,268	£17,973
Temporary Expansion	£8,196	-
New school	£20,508	-

The shaded area in each chart shows the forecasting accuracy for 'r\_params\$input\_la\_choice' .  
The starting point is 0: an accurate score.

A shared area to the right of 0 indicates an overestimate, a shared area to the left of 0 indicates an underestimate.
