LA Secondary School Places Scorecard for Wokingham

Introduction

This document presents school places figures for Wokingham covering quantity of places available, forecast accuracy of pupil projections, places allocated by preference, new places allocated by school quality and cost per place. It is intended to provide a downloadable, printable document of figures for individual Local Authorities as an alternative to our online dashboard (available [here](#)).

Quantity

£59million

Total primary and secondary basic
need funding 2011 to 2022

21%

Growth in secondary pupil numbers
2009/10 to 2021/22

Places created since 2009/10, places planned to 2021/22 and estimated place pressure in 2021/22

A local authority can have both 'spare places' and 'additional places needed' due to localised or specific year group demand

70

Estimated additional secondary
places to meet demand in 2021/22

5%

Estimated percentage of spare sec-
ondary places in 2021/22

Forecast Accuracy

Forecast accuracy of pupil projections for 2021/22, made one year and three years previously

The shaded area in each chart ending at the thick vertical line shows the forecasting accuracy for Wokingham. The starting point is 0, an accurate score, indicated by a dotted line. A shaded area to the right of 0 indicates an overestimate, a shaded area to the left of 0 indicates an underestimate.

The grey dashed lines show the 25th and 75th percentile score for all local authorities.

One year ahead: -0.2%

Underestimate of pupil numbers, larger underestimation than at least 75% of local authorities

Min	25th centile	Median	75th centile	Max
-1.8%	+0.5%	+1.3%	+1.9%	+5.4%

Three years ahead: -4.9%

Underestimate of pupil numbers, larger underestimation than at least 75% of local authorities

Min	25th centile	Median	75th centile	Max
-7.7%	+1.4%	+2.9%	+4.4%	+15.8%

Preference

Proportion of applicants who received an offer of one of their top three preference schools for September 2019 entry

93%

Percentage of applicants who received an offer of one of their top three preferred secondary schools in England

93.8%

Percentage of applicants who received an offer of one of their top three preferred secondary schools in Wokingham

Quality

Quality of places created between 2017/18 and 2018/19, based on Ofsted:

New places with no rating = NA

Cost

Average cost of additional mainstream school places

Based on local authority reported projects between 2015/16 and 2017/18 adjusted for inflation and regional variation

Average cost per place for permanent, temporary and new school projects

Region column shows England averages, adjusted for regional location factors

Type	England	North East
Permanent Expansion	£23,775	-
Temporary Expansion	£9,248	-
New school	£24,929	£31,954
