LA Primary School Places Scorecard for Gateshead

Introduction

This document presents school places figures for Gateshead covering quantity of places available, forecast accuracy of pupil projections, places allocated by preference, places allocated by school quality and cost per place. It is intended to provide a downloadable, printable document of figures for individual Local Authorities as an alternative to our online dashboard (available [here](#)).

Quantity

£20million

Total primary and secondary basic need funding 2011-22

11%

Growth in primary pupil numbers 2009/10 to 2021-22

Places created since 2009-10, places planned to 2021-22 and estimated place pressure in 2021-22

A local authority can have both 'spare places' and 'additional places needed' due to localised or specific year group demand

10

Estimated additional primary places to meet demand in 2021-22

12%

Estimated percentage of spare primary places in 2021-22

Forecast Accuracy

Forecast accuracy of pupil projections for 21/22, made one year and three years previously

The shaded area in each chart and the bold line shows the forecasting accuracy for Gateshead. The starting point is 0, an accurate score, indicated by a dotted line. A shared area to the right of 0 indicates an overestimate, a shared area to the left of 0 indicates an underestimate. The grey dashed lines show the 25th and 75th percentile score for all local authorities.

One year ahead: -0.7%

Underestimate of pupil numbers, larger underestimation than at least 75% of local authorities

Range of accuracy scores one year ahead

Minimum	Twentyfifthpercentile	Median	Seventyfifthpercentile	Maximum
-1.6%	0.1%	0.7%	1.3%	7.5%

Three years ahead: 3%

Overestimate of pupil numbers, within the middle 25-75% of local authorities' forecast accuracy scores

Range of accuracy scores three years ahead

Minimum	Twentyfifthpercentile	Median	Seventyfifthpercentile	Maximum
-4.7%	0.4%	2.1%	4.4%	12.8%

Preference

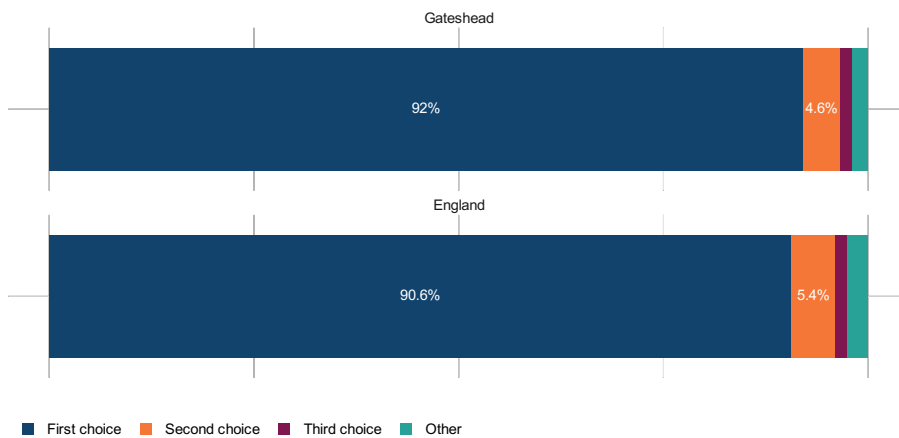

Proportion of applicants who received an offer of one of their top three preference schools for September 2019 entry

97.5%

Percentage of applicants who received an offer of one of their top three preferred primary schools in England

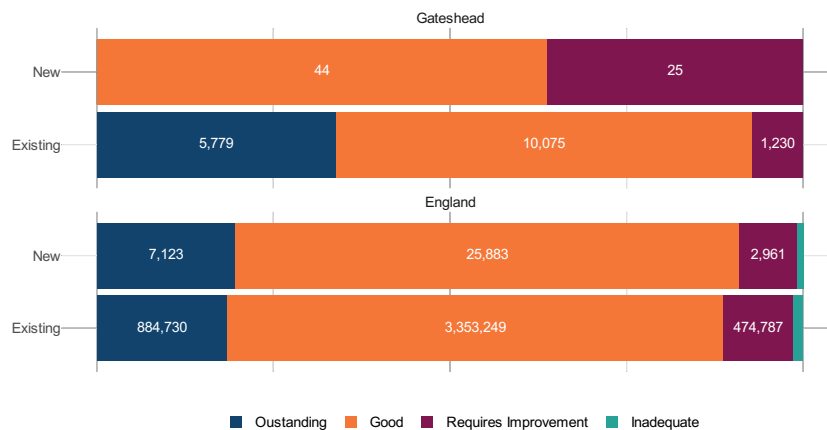

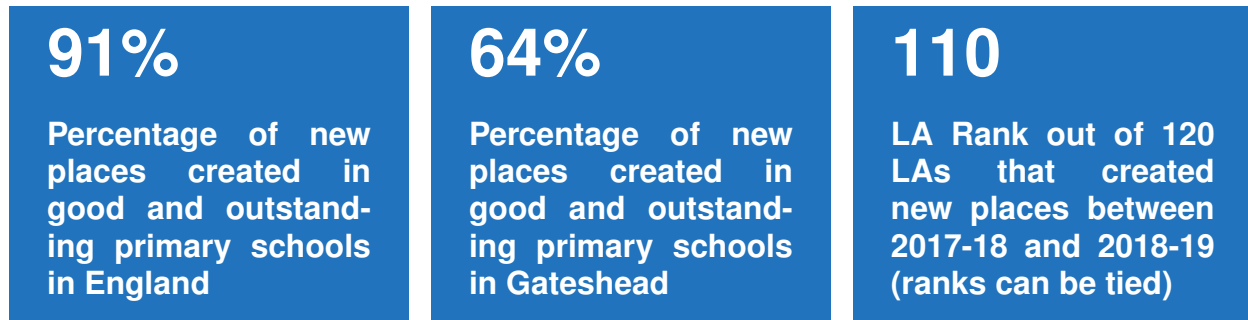

98.1%

Percentage of applicants who received an offer of one of their top three preferred primary places in 2021-22 in Gateshead

Quality

Quality of places created between 2017-18 and 2018-19, based on Ofsted:

New places with no rating = NA

Cost

Average cost of additional mainstream school places

Based on local authority reported projects between 2015/16 and 2017/18 adjusted for inflation and regional variation

Average cost per place for permanent, temporary and new school projects

Region column shows England averages, adjusted for regional location factors

Type	England	North East
Permanent Expansion	£17,268	£17,973
Temporary Expansion	£8,196	-
New school	£20,508	-
